

Workshop

Making Music Digitally 2 – Garage Band 2 and Arranging

Presenter

Peggy Johnson

Making Music Digitally 2 **Garage Band 2**

Learn how to use Garage Band to create arrangements for your choir or record your choir. Great for creating simple Hymn or Primary Song arrangements or recording your choir for keepsake memories. This session includes some simple arrangement techniques as well.

1. Learn about Garage Band score features along with ProTools and Finale basics of score creation.
2. Transposition using Garage Band and use of Key for Hymn or Primary Song arrangements.
3. Review of basic major and minor chords, scales and key signatures and their use in arranging.
4. Using Garage Band and other programs to arrange music and use for songwriting.
5. Arranging techniques with Garage Band for various instruments and voice writing.
